## An Analysis of the Business of Clouds

February 18 2020

# SGM

**VOTE**

## NOTICE OF SPECIAL GENERAL MEETING

**MARCH 18, 2020**

The following change has been proposed to “By-law 6 - Directors and Officers”:

Section 3: Removal of the President Elect role from the Election Rotation schedule.

Section 4: Add “At the Board’s authority, the presidency term may be extended should more time be required to nominate a candidate for President Elect. Likewise, should the presidency cycle end early, the Board has the authority to move to replace by restarting the cycle.”

A brief discussion about the proposed by-law change will take place at the beginning of the regular monthly meeting on March 18.

Details in the Chapter website **News** section.

**Sign up to save 20%.**

A great opportunity to attend insightful presentations, invaluable networking, expand your knowledge, learn new techniques, get to know new people, enhance your own work, ask presenters questions about their work, as well as professional development credits for those who need to maintain or acquire a new certification.

The image shows a screenshot of a website for an event. The background is a dark blue image of a building at night. The website has a white navigation bar at the top with links: HOME, ABOUT, SPEAKERS, WHEN/WHERE, SPONSORS, CONTACT US, and REGISTER NOW!. Below the navigation bar is a dark blue banner with a white starburst graphic on the left that says "Early Bird pricing ends on February 29!". To the right of the starburst is the IIBA logo and the text "Ottawa-Outaouais Chapter presents". Below that is a white line-art icon of a building. The main title "CAPITAL BA DAY" is in large white letters, followed by the subtitle "BUSINESS ANALYSIS IN THE DIGITAL TOMORROW" in smaller white letters. Below the subtitle is a horizontal line, then the date "APRIL 24, 2020" and the location "OTTAWA, ON". At the bottom center is a blue button with white text that says "Register Now!".
