

IIBA Ottawa-Outaouais Chapter

ECBA[®] / CBAP[®] / CCBA[®] Study Group

Emily Tom, CBAP

Agenda

- Chapter 10 Techniques
- Chapter 11 Perspectives
- Pop Quiz
- Game

Chapter 10 – Techniques

- 50 techniques
- The BA must use expert judgment to decide which approaches to use in order to achieve the technique's purpose.

- All techniques in the BABOK are described using this structure:
 - Purpose
 - Description
 - Elements
 - Usage Considerations
 - Strengths
 - Weaknesses

- Sample Technique
 - Business Cases
 - Why should this technique be used?
 - Describe how acceptance and evaluation criteria definition can be used as a technique in the Analyze Potential Value and Recommend Solution task

- Sample Technique
 - Collaborative Games
 - What are some examples of Collaborative Games?
 - What are three steps that are common to typical to collaborative games?

Chapter 11 – Perspectives

5 Perspectives:

- Agile
- Business Intelligence
- Information Technology
- Business Architecture
- Business Process Management

Each perspective follows a common structure:

- Change Scope,
- Business Analysis Scope,
- Methodologies, Approaches, and Techniques,
- Underlying Competencies, and
- Impact on Knowledge Areas.

Review a couple of perspectives' structure.

- Pop quiz
 - Open Book
 - Make note of your answers/take a picture of your completed quiz
