

Agile Tools and Techniques in 59 minutes

September 15, 2019

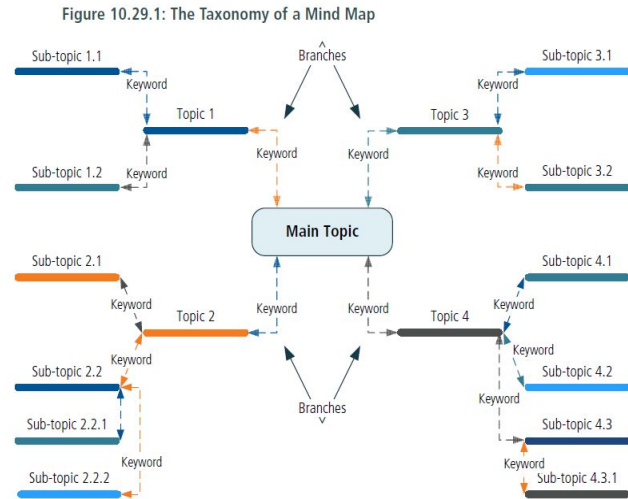

What Am I

The BABOK[®] Technique Edition

1. I don't really have a standard format
2. The artsy types really like me
3. I like my information colorful!
4. This is easy on the brain

Answer:

MIND MAPPING

Mission

Demonstrate and promote excellence in professional business analysis in our community and foster an environment for engagement, learning and sharing

Vision

Build a strong BA community connected by a common language and purpose while embracing emerging trends and contributing to the evolving role of the BA

Palmetto Chapters

Business Data Analytics

- Big data and analytics is increasingly being used by companies to make informed business decisions
- There is a huge demand for business analysts with knowledge and skills in data analytics and data visualization
- IIBA is offering a new certification in Business Data Analytics (IIBA[®]-CBDA) to recognize these in-demand skills and competencies
- IIBA-Ottawa chapter is organizing a new BA trailblazer series on data analytics introducing the business data analytics tools and techniques

- Marketing Excellence
- Community Outreach & Engagement

Friday, November 1 is International BA Day and is also the night of the Awards Ceremony
